

# WHOLLY MOSES!!!

Summer 2014

## 2014 MEXICO TRIP!

July 8-20, 2014

Maybe this is **YOUR** time! Perhaps you've thought about going to Mexico with MOSES, but never actually done so. You've heard the stories from your friends and read about it in previous newsletters. But, "I guess you have to **BE THERE**" to actually experience it for yourself. This year's trip is shaping up nicely with a great mix of teens and adults, some returnees and some first timers. But we still have room for you! You will need to act quickly. You will need either a passport, U.S. Passport card or enhanced driver's license. The enhanced driver's license is the easiest and cheapest for drivers and the passport card is the easiest and quickest for non-drivers. See <http://travel.state.gov/content/passports/english/passports/information/card.html> for more info.

Opportunities to serve while in Mexico include assisting with Vacation Bible School (Spanish language is helpful, but not essential; smiles and hugs are understood universally!), and construction (we will build one or more homes, depending on the size of our team). Those with a working knowledge of sewing machines will be invited to assist with one or more sewing classes.

We set out to spread the love of Jesus to the low income communities of the Ensenada Baja area. But, we often come back more blessed and changed ourselves. Expect the unexpected!

# McLain Missisippi Report

Our Spring Break trip to McLain already had a bunch of jobs lined up when the team arrived. More requests were added daily. Miss Tina had found a location for another jungle gym—at a church in Richton, 20+ miles north. We were able to complete nine complete sets of steps, one new jungle gym and one complete ramp. The lawn crew worked hard every day. Other improvements and repairs were made. Many of these were for people with infirmities.

Our teens and adults were all wonderful. Although many didn't know other team members before the trip, they bonded quickly and worked very well together. We rotated people on a daily basis, so they had opportunities to work at various projects and learn new skills.

We thank Ms Tina Brown, Fire Chief Ricky Pugh, Sandy's Auto & Hardware and the community of McLain for their hospitality in allowing us to stay in the fire barn and community center each year. We really feel at home there.

# TORONTO FAMILY TRIP

November 26-30, 2014

For many years, MOSES traveled to Toronto Ontario Canada over "American Thanksgiving." Canadians have a Thanksgiving holiday, too, but they call it Canadian Thanksgiving and it is in October. This trip is five days, leaving on Wednesday evening, November 26 and returning home on Sunday evening, November 30. If border crossing and weather permit, the drive is around seven hours. This is a great starter mission trip for families with school aged children.

In Toronto, we serve at homeless shelters and downtown missions, assist with a Children's Church on Saturday and participate in a big multi-ethnic dinner with the All Nations Christian Fellowship Church.

Toronto is a city of great diversity, with much opportunity for service and fellowship. It is a good introduction for children to learn how to serve.

Each participant will need either a passport,

passport card or enhanced driver's license for border crossing. See the front page of this newsletter for information on border crossings. I will need commitments soon, in order to adequately plan for this trip. Please contact me, Judy at 616-949-0344 or [mosesjudy@gmail.com](mailto:mosesjudy@gmail.com). Registration forms for all trip are available on the MOSES website at [mosesweb.org](http://mosesweb.org).
